

Walnut High School Presents its Inaugural
Nutcracker Classics

Girls Soccer Tournaments

December 17-20, 2010

Varsity, JV, Frosh-Soph
Walnut, California

This December Walnut High School Girls Soccer will play host to it's inaugural trio of soccer tournaments, the Nutcracker Classics. The City of Walnut has long been known for quality fields including Walnut High School's new turf field and Walnut Ranch Park.

Varsity- We will offer a four-game guarantee for what we hope to make a classic pre-Christmas tournament. An all-tournament team will be named.

Junior Varsity- This tournament is designed to give experience to the players who are not quite ready for varsity. A three-game guarantee (Some may play four).

Frosh/Soph- There are just too few games for this level. We will offer a three-game minimum here.

Enter all three- By entering all three tournaments, we are offering a discount, three tournaments, at least 10 games. There will be a special award for the team with the most combined wins in all three. *Don't miss out.*
